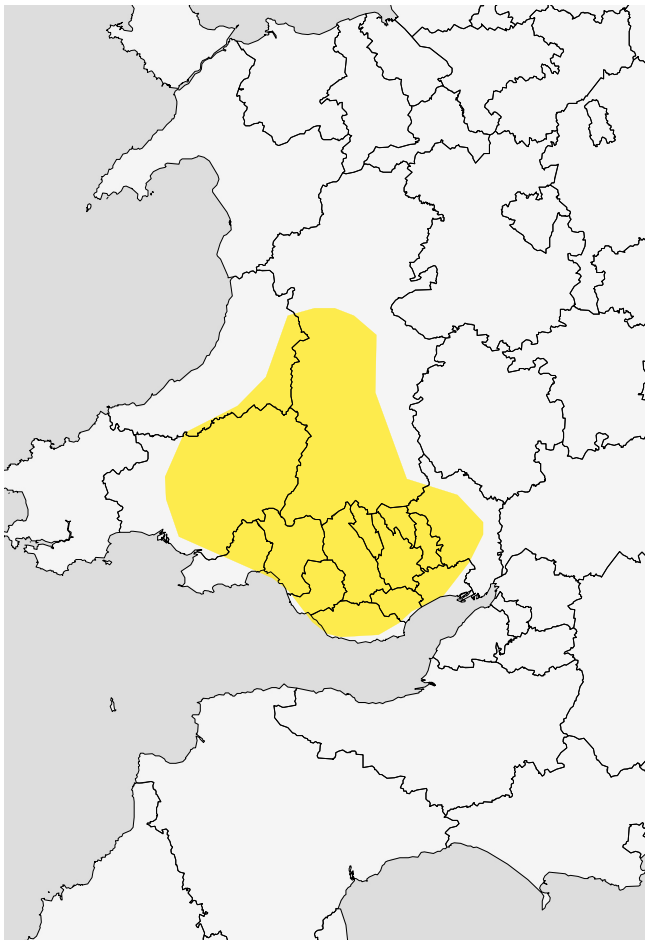
Yellow warning
Rain

Between
03:00 Sun 23 Feb 2020 and
15:00 Sun 23 Feb 2020



A spell of persistent, sometimes heavy rainfall is expected during Sunday morning.

What to expect

- Flooding of a few homes and businesses is possible.
- Some bus and train services could be affected with journey times taking longer

Further details

An area of rain is expected to move from west to east across the south of the UK, and may be especially persistent over mid and south Wales, which contains catchments which are currently saturated and highly sensitive to further rainfall. 20-40 mm is likely fairly widely, and a few spots in the mountains of south Wales could see 50-60 mm.

Medium likelihood of low impacts
